

Kaiser Permanente has formed a student pathway which ensures that Kaiser-approved college prerequisite courses that are successfully completed at California State University San Marcos will transfer seamlessly to Coastline Community College. This is based on California State San Marcos's regional accreditation, and is provided that these courses are comparable to required courses in the student's chosen curriculum. This pathway can translate into specific student benefits, including enhanced tuition savings and expedited degree completion.

California State San Marcos		Coastline Community College	
Course Number	Course Name	Course Number	Course Name
BIOL 175	Anatomy and Physiology with Lab	BIOL C220	Human Anatomy
BIOL 176	Anatomy and Physiology with Lab	BIOL C225	Human Physiology

CHEM 106/106L	Organic Chemistry and Biochemistry for the Health Sciences with Lab		Pending Review
PHIL 110	Critical Thinking	PHIL C115	Logic and Critical Thinking

An applicant seeking to transfer credit from California State San Marcos must request a credit evaluation prior to enrolling in a new program, and must provide the official transcript. A course may also transfer as an elective, provided there is no direct course equivalent within the appropriate academic department. This document is based on a review of California State San Marcos courses by Coastline Community College as of 7/1/2014, and is subject to review and modification at any time without prior notice.
